GO FASTER! GO FURTHER!

REDEFINING THE FUTURE OF PADDLING

Imagine an electric-propulsion paddleboard built with the latest construction technology. Meet AMgo – a next-generation paddling solution featuring a cutting-edge electric propulsion system.

As technology continues to reshape water sports, AMgo is no longer just a vision of the future – it's redefining how we move through water today. The TURBO Series package delivers a truly revolutionary experience on the water.

DESIGNED TO IMPRESS

The AMgo TURBO paddleboard stands out with its signature bright colour scheme and bold visual appeal. Built for speed and stability, it adapts effortlessly to a wide range of water conditions.

CRAFTED FOR FURTHER ADVENTURE

Paired with the AMgo BLUEDRIVE 5, this setup offers exceptional performance and elevates the TURBO board's efficiency – maximizing propulsion with every glide.
